

# I Can't Sleep

Clay Walker

I've been up all night long  
Just waitin' on the sun  
I've given up, damn the dawn  
It ain't never gonna come  
Something's wrong, as long as you're gone I'm not gonna sleep til I touch your face  
Baby not a wink I could go for days  
If you ever needed to see me down on my knees  
Take a look at me, baby I can't sleep Remember when you said you wouldn't last  
I couldn't swallow my pride  
Whoa it's sinkin' in, baby losin' you has  
Finally opened my eyes  
I'm wide awake, as long as it takes I'm not gonna sleep til I touch your face  
Baby not a wink I could go for days  
If you ever needed to see me down on my knees  
Take a look at me, baby I can't sleep
