I Love College

Asher Roth

I'm nice right now, man
I-I feel good
If you have a drink
Would you please put it in the air?
That party last night was awfully crazy I wish we taped it
I danced my ass off and had this one girl completely naked
Drink my beer and smoke my weed but my good friends is all I need
Pass out at 3, wake up at 10, go out to eat then do it again
Man, I love college
I wanna go to college for the rest of my life
Sip Banker's Club and drink Miller Lite
On Thirsty Thursday and Tuesday Night Ice
And I can get pizza a dollar a slice
So fill up my cup, let's get fucked up
I'm next on the table, who want what?
I am champion at beer pong
Allen Iverson, Hakeem Olajuwon
Don't even bounce, not in my house
Better hope you make it otherwise you naked
Time isn't wasted when you're getting wasted
Woke up today and all I could say is
Um, that party last night was awfully crazy I wish we taped it
I danced my ass off and had this one girl completely naked
Drink my beer and smoke my weed but my good friends is all I need
Pass out at 3, wake up at 10, go out to eat then do it again
Man, I love college, ay!
And I love drinking, ay!
I love women, ay!
Man, I love college
I can't tell you what I learned from school but
I could tell you a story or two, um
Yeah, of course I learned some rules
Like don't pass out with your shoes on
(Get the Sharpie!)
And don't leave the house 'til the booze gone
(No, we're not leaving)
And don't have sex if she's too gone
When it comes to condoms put two on
(Trust me)

Then tomorrow night find a new jawn
Hold the beer bong, nothing wrong with some fun
(Here, hold this)
Even if we did get a little bit too drunk
Time isn't wasted when you're getting wasted
Woke up today and all I could say is
That party last night was awfully crazy I wish we taped it
(I wish we taped)
I danced my ass off and had this one girl completely naked
Drink my beer and smoke my weed but my good friends is all I need
Pass out at 3, wake up at 10, go out to eat then do it again
Man, I love college, ay!
I love drinking, ay!
I love women, ay!
I love college
Now if everybody would please
Put their drink as high as they can
As high as they can
(As high as they can)
And repeat after me
Chug! Chug! Chug! Chug!
Chug! Chug! Chug! Chug!
Freshmen! Freshmen!
Freshmen! Freshmen!
Do something' crazy! Do somethin' crazy!
Do something' crazy! Do somethin' crazy!
Keg stand! Keg stand!
Keg stand! Keg stand!
(That party last night)
Man, I love college
I love it!
(That party last night)
Alright everybody, I gotta head back to class for a little bit
That party last night was awfully crazy I wish we taped it
(I wish we taped)
(You know it's going down)
I danced my ass off and had this one girl completely naked
Drink my beer and smoke my weed but my good friends is all I need
(You're all invited, bring your friends)
Pass out at 3, wake up at 10, go out to eat then do it again
Man, I love college
Do I really have to graduate?
Or can I just stay here for the rest of my life?
