

# Not Meant For Me

**Jonathan Davis**

You think you're smart  
You're not  
It's plain to see  
That you want me to  
Follow  
It's killing me  
Let's see  
You got to go  
Come take it all

[Chorus]

The jury is coming  
Coming to tear me apart  
All this bitching and moaning  
Come on it's on  
I'm trapped in this world  
Lonely and fading  
Heartbroke and waiting  
For you to come.  
We are stuck in this world  
That's nothing for me  
For me

So much you've got  
That you've got passion  
It seems to me  
That you're not needed  
Come on

It's killing me  
Let's see  
You got to go  
Come take it all

[Chorus x2]
