

Too Many Girls

Wayne Beckford

There's too many girls in this club
I can't make up my mind
Cause they're looking so fine like (ohhhh yeah)
There's too many girls that I like
That one there, she's my type
Be my girlfriend tonight like (ohhhh yeah)

She's dangerous, I tell you
This girl, she's dangerous
But then a next girl came
And she's so fly
That the last one bites the dust
Yeah, yeah

I can't believe that so many girls
Wanna dance with me
So when I wind to the left
And I wind to the right
Ladies is all I see, yeah.

I can't believe (ohh ohh)
Is this a dream (ohh ohh)
I'm waiting for someone to wake me up
Cause this is way too much

So what's the deal (ohh ohh)
Is this for real (ohh ohh)
An it doesn't matter where I turn
Everywhere I look I

One (One girl is shaking her booty)
Two (two girls are shaking their booties)
Three, Four, Five, six, Seven, Eight, Nine, Ten More..
More, more, more, more, more

There's too many girls in this club
I can't make up my mind
Cause they're looking so fine like (ohhhh yeah)
There's too many girls that I like
That one there, she's my type

Be my girlfriend tonight like (ohhhh yeah)

Theyâ€™re dangerous, I tell you
These girls are dangerous
Itâ€™s the innocent girls with a big nice smile
Thatâ€™s the ones I do not trust, noh woh

I canâ€™t deny,
I swear Iâ€™m the luckiest man alive
Cause every girl in the club
Trying to get my attention
Pulling me left to right

I canâ€™t believe (ohh ohh)
Is this a dream (ohh ohh)
Iâ€™m waiting for someone to wake me up
Cause this is way too much

So whatâ€™s the deal (ohh ohh)
Is this for real (ohh ohh)
An it doesnâ€™t matter where I turn
Everywhere I look I

One (One girl is shaking her booty)
Two (two girls are shaking their booties)
Three, Four, Five, six, Seven, Eight, Nine, Ten More..
More, more, more, more, more

Thereâ€™s too many girls in this club
I canâ€™t make up my mind
Cause theyâ€™re looking so fine like (ohhhh yeah)
Thereâ€™s too many girls that I like
That one there, sheâ€™s my type
Be my girlfriend tonight like (ohhhh yeah)

You over there in the short dress
You over there youâ€™re a princess
You over there by the bar
Look like a superstar

You over there in the short dress
Cutie right there, youâ€™re a princess
You over there by the bar
Shine like a superstar

Thereâ€™s too many girls in this club

I can't make up my mind
Cause they're looking so fine like (ohhhh yeah)
There's too many girls that I like
That one there, she's my type
Be my girlfriend tonight like (ohhhh yeah)
