

# New

## No Doubt

Don't let it go away  
This feeling has got to stay  
Don't let it go away  
This feeling has got to stay  
And I can't believe I've had this chance now  
Don't let it go away, yeah New, you're so new  
You, you're new  
And I never had this taste in the past  
New, you're so new My normal hesitation is gone  
And I really gravitate to your will  
Are you here to fetch me out?  
'Cause I've never had this taste in my mouth Oh, you're not old  
And you're not familiar  
Recently discovered and I'm learning about you New, you're so new  
You, you're new And you're consuming me violently  
And your reverence shamelessly tempting me  
Who sent this maniac?  
'Cause I never had this taste in the past Oh, you're different  
You're different from the former  
Like a fresh battery I'm energized by you Don't let it go away  
This feeling has got to stay  
Don't let it go away  
This feeling has got to stay  
And I can't believe I've had this chance now  
Don't let it go away Why am I so curious?  
This territory's dangerous  
I'll probably end up at the start  
I'll be back in line with my broken heart New, you're so new  
You, you're new  
And I never had this taste in the past Don't let it go away  
This feeling has got to stay  
Don't let it go away  
This feeling has got to stay  
And I can't believe I've had this chance now  
Don't let it go away And I can't believe it, can't believe it  
Can't believe it, can't believe it  
Don't let it go away, this feeling has got to stay  
Don't let it go away New, you're so new  
New, you're so new

New, you're so new
