Down We Fall

Drake Bell

You were so clever,
You kept it together today,
By the way, I'll no longer ignore you,
I wanted to show you again, I'm your friend,
Sometimes we just pretend.
And all I can say is you save me,
Changed all the things that have made me,
Entertaining,
Thoughts are raining,
Down We Fall,
It's all ok,
When I say,
You and I,
Take your time, I can't wait,
To see you fly.
You don't have to wander,
I've finally discovered tonight,
Where we're at,
This is just the beginning,
It's all that I'm tryin' to say,
If I may
You're never in my way
And all I can say is you save me,
Changed all the things that have made me,
Entertaining,
Thoughts are raining,
Down We Fall,
It's all ok,
When I say,
You and I,
Take your time, I can't wait,
To see you fly.
And all I can say is you save me,
Changed all the things that have made me,
Entertaining,
Thoughts are raining,
Down We Fall,
Entertaining,
Thoughts are raining,

Down We Fall,
Entertaining,
Thoughts are raining,
Down We Fall,
(And all I can say is you saved me)
Entertaining,
Thoughts are raining,
Down We Fall,
(Changed all the things that have made me) [x8]
Entertaining,
Thoughts are raining,
Down We Fall,
(Changed all the things that have made me)
