Nothin' Better to Do

Bare Jr.

I woke up early today and thought of seven different ways
To like myself less than you do for any reason false or trueWhile you dig me, more than I dig myself
And I'm in love with you 'cause I got nothin' better to do
Got nothin' betterI just fish for sympathy for any reason pitifully
You smile miles more than I do, so I just bounce me off of youWhile you dig me, more than I dig myself
And I'm in love with you, 'cause I got nothin' better to do
Got nothin' betterThere you are giving, here I am taking
Two parasite hearts co-existingWhile you dig me, more than I dig myself
And I'm in love with you, 'cause I got nothin' better to doWhile you dig me, more than I dig myself
And I'm in love with you, 'cause I got nothin' better to do
Got nothin' better to do
Got nothin' better to do
