

Rubberneckin' (Paul Oakenfold Remix)

Elvis Presley

Stop, look and listen baby
(Stop)
That's my philosophy
(Yes, it is now)
It's called rubberneckin' baby
But that's alright with me
Stop, look and listen baby
(Stop)
That's my philosophy
(Yes, it is now)
It's called rubberneckin' baby
But that's alright with me
Some people say I'm wasting time
They don't really know
I like what I see, I see what I like
And it gives me such a glow
The first thing in the mornin'
Last thing at night
I look, stare everywhere
And I see everything in sight
Stop, look and listen baby
(Stop)
That's my philosophy
(Yes, it is now)
It's called rubberneckin' baby
But that's alright with me
(It's alright)
People say I'm wasting time, yeah
But I don't really care
I see what I like, I like what I see, yeah
And it gives me such a glow
Sittin' on the back porch
All by myself
Along came Mary Jane
I'm with somebody else
Stop
(Stop)
Look and listen baby
(Yeah, listen)
That's my philosophy
(Yes, it is now)
It's called rubberneckin' baby
That's alright with me
Hey baby, that's alright with me
Rubberneckin' baby
But that's alright with me
