It's Your Touch

The Black Ghosts

It's your touch, it's the way you bring love
And I can't explain why I'm falling for this feeling
It's your smile, it's the look in your eyes
And I can't explain what you've done to meYeah, you know how to steal my show
It's about time, it's about time
Yeah, you know how to make things flow
It's about time, it's about timeAnd I guess that you're wondering what I'm doing for you
And I guess that I'm wondering quite the same thing
Well, is it because I'm here that you're looking for someone else?
If you were on your own what would you do?Oh, it's your touch, it's the way you bring love
And I can't explain why I'm falling for this feeling
It's your smile, it's the look in your eyes
And I can't explain what you've done to meAnd I guess that you're wondering what I'm doing for you
And I guess that I'm wondering quite the same thing
Is it because I'm here that you're looking for someone else?
If you were on your own what would you do?Oh, it's your touch, it's the way you bring love
And I can't explain why I'm falling for this feeling
It's your smile, it's the look in your eyes
And I can't explain what you've done to meNo, I can't explain what you've done to me
No, I can't explain what you've done to me
No, I can't explain what you've done to me
No, I can't explain what you've done to meNo, I can't explain, no, I can't explain
No, I can't explain, I can't explain what you've done to me
