

Daydreamin'

Ariana Grande

[Verse 1]

You walked in
Caught my attention
I've never seen
A man with so much dimension
It's the way you walk
The way you talk
The way you make me feel inside
It's in your smile
It's in your eyes
I don't want to wait for tonight[Hook]
So Im daydreamin'
With my chin in the palm of my hands
About you, you, and only you
Got me daydreamin'
With my chin in the palm of my hands
About you, you, and only you
S-Say yes
S-Say yes
S-Say yes[Verse 2]
Now I can't wait
To hold you in my arms
I know I was made for you
I'm in love with all of your charm
It's the way you walk
The way you talk
The way you make me feel inside
It's in your smile
It's in your eyes
I don't want to wait for tonight[Hook]
So Im daydreamin'
With my chin in the palm of my hands
About you, you, and only you
Got me daydreamin'
With my chin in the palm of my hands
About you, you, and only you
S-Say yes
S-Say yes
S-Say yes[Verse 3]

Oh I want ya
Got to have ya
And I need you
Like I never have loved before
Oh I want ya
Oooh I need you
Got to have ya
Like I never have loved before[Hook]
So Im daydreamin'
With my chin in the palm of my hands
About you, you, and only you
Got me daydreamin'
With my chin in the palm of my hands
About you, you, and only you
S-Say yes
S-Say yes
S-Say yes[Outro]
Ba dun bum ba
Ba dun bum ba
Oooooohhhh
Ba dun bum ba
