

# Attention Whore (Astro Disco Remix)

Rusko Star

Look at me,  
Talk about me,  
Think of me,  
Do you like what you see? Hey everyone, I know you love me  
and even if you hate me  
You talk about me Hey everybody, I'm Rusko  
I think I love myself  
Ew! How ugly  
Is that what your wearing tonight?  
Oh, much better  
I can't let you by my side (haha) Oh welcome to the city  
Everyone is watching  
What a great feeling (totally) Oh here to talk about me  
They are so jealous  
I know they like what they see (Yeah) I'm an attention whore  
And I'm so proud of it I'm an attention whore  
And I know you love it So look at me,  
Talk about me,  
Think of me,  
Do you like what you see ?  
So look at me,  
Talk about me,  
Think of me,  
I know you like what you see ! Wow  
I fix my hair  
It looks so fabulous  
Oh, you tried it too  
But it's not your style Oh dressing in light blue  
Is what I love  
So I take my shirt on And yeah I walk through the club  
Everybody's watching
