Big Tymers

[Verse 1: Mannie Fresh]

This is for Deshawn, Eshlawn, Lil Mama, an her friends

I love y'all broads, no disrespect to my dogs

But I love y'all broads, yea I love y'all broads

To the ladies havin babies without no drama

To my niggas with figgas say I love my baby momma

I bought them shoes, them tattoos, an even fixed yo breasts

I put you inside the flyest rides an even put a "S" on yo' chest [Verse 2: Lil' Wayne]

This is for the ones who wobbled it an be puttin they mouth on it

An they suck everything out of it then they catch it and swallow it

I'm Lil Weezy for sheezy, I'm off the heezy believe me

See me, I squeeze in between it, and then I leave it so greasy

When I come through in a Rolls Royce, leave them with no choice

But to hop up in it an just let me make they throat moist

Ruby red an vodka it just carry a nigga

Give me three minutes maybe four she be wantin to marry a nigga [Chorus 2X: Juvenile]

Give me a project bitch

Give me a hoodrat chick

One that don't give a fuck

An say she took that dick [Verse 3: Juvenile]

My momma send me by my grandma, my grandma flipped out

An said we ain't gone have no evil in this house

So I rolled out, scoped me out an sold out

But I fucked up when I started livin up in this hoes house

Nigga started fuckin one of the broads

Cause she was suckin a nigga dick so good keepin it hard

Lettin a nigga cum all over her chest and tongue

She was still-un, I spared her because her chil-drun

She was a hoe she gave me head behind a building

Ain't sellin records but her mouth could sell a million

If you wanna take it there we can break it off

Cause y'all pussy ain't gotta nigga tweekin at all

I slang this dick summer winter spring an the fall

Ask me to lay it down I'm bringin it all
