

Open Up Your Heart

Linda Clark

He who seeks is he who shall find

He who seeks is he who shall find

Open up your heart to God; Open up your heart to GodGlory in His holy name, let your hearts in Him rejoice

Look to the Lord and all His strength, always seek His faceOpen up your heart, Open up your mind, open up
your soul

Receive his salvation

Open up your heart to God; Open up your heart to GodYou need to open up your heart

Why dont you open up your soul

Matthew 7:7 states, if you ask, it shall be given, if you seek, you shall find, if you know will be opened to
you.Open up your heart, Open up your mind, open up your soul

Receive his deliverance

Open up your heart to God; Open up your heart to GodSeek the Lord while He may be found

Seek the Lord while He is near

(repeat)Open up your heart to God; Open up your heart to God
