

I Won't Be Defeated

Damon Little

I won't be defeated
Oh no
I won't give up now
Because I've come too far to let my problems get me down I won't be defeated
(Just can't give up now)
I won't give up now
(I've come, yeah)
Because I've come too far
To let my problems get me down Sometimes, in this life
We deal with misery and strife
And it seems like the enemy is gonna do you in Well, you tell him today
That his tricks were just a delay
And you refuse to let him
take you out this way. Noooo I won't be defeated. Nooo
(Just can't give up now)
I won't give up now
(I've come, Lord)
Because I've come too far
To let my problems get me down (Repeat the Chorus) It's been rough for me this year
I've learned some things
along the way
But, He didn't bring me this far
To leave me now (Repeat the Chorus) 2x's You can make it my brother
Hold on my sister (Because I've come too far to let my problems get me down)
