

# Cast Your Fate to the Wind

**Rick Wakeman**

A month of nights, a year of days  
Octobers drifting into Mays  
I set my sail when the tide comes in  
I just cast my fate to the wind

I shift my course along the breeze  
Won't sail upwind on memories  
The empty sky is my best friend  
I just cast my fate to the wind

A month of nights, a year of days  
Octobers drifting into Mays  
I set my sail when the tide comes in  
I just cast my fate to the wind
