

Keep An Eye On Summer

Beach Boys

Keep an eye on summer this year
Keep an eye on summer
(Keep an eye on) We said goodbye last September
Your words I still can hear
Keep an eye on summer, this summer
Keep an eye on summer
(Keep an eye on) Those things I say in my letters
You'll find them most sincere
Keep an eye on summer this year Soon we'll be graduating
And we'll be so far apart
And though you could be dating
I'm waiting and waiting And as we look at the future
Though it be through a tear
Keep an eye on summer this year Keep an eye on summer
(Keep an eye on)
Keep an eye on summer
(Keep an eye on)
Keep an eye on summer
(Keep an eye on)
