Advisory - the following lyrics contain explicit language:

Cincinnati, Ohio, Cincinnati, OhioOne more hour and I'll be home  
Close my eyes and rest my bones  
Can't be more than a mile or so  
From Cincinnati, Ohio, Cincinnati, OhioCincinnati where the river winds  
Cross the Mason and the Dixie Line  
Heaven waits for me I know  
In Cincinnati, Ohio, Cincinnati, OhioI guess perhaps the memories got too strong  
Grabbed me by the heart strings and pulled me home  
I got to thinkin' 'bout some friends I know  
In Cincinnati, Ohio, Cincinnati, OhioCincinnati, Ohio, Cincinnati, OhioI walked halfway from Lewie Ville  
Now there she lies at the foot of the hill  
Shinin' like a jewel in the valley below  
Cincinnati, Ohio, Cincinnati, OhioCincinnati where the river winds  
Cross the Mason and the Dixie Line  
Heaven waits for me I know  
In Cincinnati, Ohio, Cincinnati, OhioCincinnati where the river winds  
Cross the Mason and the Dixie Line  
Heaven waits for me I know  
In Cincinnati, Ohio, Cincinnati, Ohio
