

Here Is My Heart

Jeremy Riddle

Verse 1

We won't stop crying
out to him
Cause He hear us every time
yaeh, He hear us every time
We won't stop pouring
our love to Him
Cause He Love us every time
yeah He Love us every time

Pre-Chorus

Wake up the normal life
You can do wherever You want to
Shake up eternal sight
Because we want You
Verse 2
We won't stop going after him
Cause He lead us every time
Yeah, He lead us every time
We won't stop leave it all for Him
Cause He's faithful every time
Yeah He's faithful every time

Heaven is here now
He's all around us
Heaven is Jesus
Is the moments we meet
