No Reason

Paradise Lost

But you say it's all over
You're down by the water
There some thing's you can't conceal
It's the same old show
May be you don't know
Go and find some reasons to liveAlways a mistake I'm selfless
Always a mistake I feel
But there's many times when
You seem so shallow
There's many times when
You're without worthBut you say it's all over
You're down by the water
There some thing's you can't conceal
It's the same old show
May be you don't know
Go and find some reasons to liveThere are different ways to hear this
There are different ways to learn
And there may be years when
You're lost in darkness
May be years when you're incomplete
