

Love For Real (ft. N'Dea Davenport)

Everlast

Her skin is salty sweet, she wore sandals on her feet
Side by side we fell asleep in her mother's bed
She stepped inside of me, she said don't ever lie to me
This heart of mine can be yours
Yea that's what she said
But I just played the role, broke the heart I stole
Cause I was young and dumb and fucked up in the head[Chorus]
Do you want to be loved for real, do you want to be loved for real
Do you want to be...loved, (Yes, I want to be loved for real)
For real, (Do you want to be in love for real)
(Yes, I want to be in love for real)Now, I'm down by the river, taking off my shoes
Jump in the water, wash away these blues
Now out into the ocean, the current takes hold
Words already been spoken, tales already been told
Heart's already been broken, wounds already been healed
Do you wannabe loved, do you want to
Do you wannabe love for real.[Chorus (2x)]
Her eyes were hazel brown, she laughed the sweetest sound
And I just loved the way she lit up when she spoke
She help to ease my pain, she stayed through pouring rain
And I gave her all that she could take till she broke
She fit me like a glove, she taught me how to love
And for some ass I watched it all go up in smoke Chorus (4x)
