

Saturday

Liberty X

I can't wait
I can't wait
Tired of working, tired of thinking
Don't wanna read no books
I can't believe I'm sitting here at home
Waiting for the weekend to come
I need some excitement
I put on my clothes and go out with my friends
And look for something on the other side of town
I gotta find a place where I get down
The bass is pumping, music's playing all night long
Hey Mr. DJ, won't you play my favorite song
So I can feel the beat and dance until the dawn
Why don't you turn the volume up, let's get it on, oh yeah
Can't wait till Saturday
I just wanna party and I just wanna play
Call me on Friday
We can have some fun and just get away
Can't wait till Saturday
I just wanna party and I just wanna play
Call me on Friday
Gonna move my body
Wish I could go out every night
And then sleep until way past two
I can't believe there's so much work to do
I guess I got to wait the whole way through
Try something more on to get my groove on
Make sure I'm looking cool
Tomorrow's gonna be a great night out
Can't wait to hit the club and just hang out, oh yeah
And the bass is pumping, music's playing all night long
Hey Mr. DJ, won't you play my favorite song
So I can feel the beat and dance into the dawn
Why don't you turn the volume up, let's get it on
Can't wait till Saturday
I just wanna party and I just wanna play
Call me on Friday
We can have some fun and just get away
Can't wait till Saturday

I just wanna party and I just wanna play
Call me on Friday
Gonna move my body
Can't wait till Saturday
I just wanna party and I just wanna play
Call me on Friday
We can have some fun and just get away
Can't wait till Saturday
I just wanna party and I just wanna play
Call me on Friday
Gonna move my body
Call me, ooh
I just wanna party and I just wanna play
Call me, ooh
We can have some fun and just get away
Now here we go
Can't wait till Saturday
I just wanna party and I just wanna play
Call me on Friday
We can have some fun and just get away
Can't wait till Saturday
I just wanna party and I just wanna play
Call me on Friday
Gonna move my body
Can't wait till Saturday
I just wanna party and I just wanna play
Call me on Friday
We can have some fun and just get away
Can't wait till Saturday
I just wanna party and I just wanna play
Call me on Friday
Gonna move my body
Can't wait till Saturday
I just wanna party and I just wanna play
Call me on Friday
Gonna move my body
