

Run The Heart

Sleigh Bells

Oh, oh

Oh, oh

Ah ah ah ah ah ah ah ah [repeat] I wanna wanna hang a name on you

I wanna wanna hang a name on you

I wanna know what's good for you

I wanna know what's good for you You wanna wanna hang a name on me

You wanna wanna hang a name on me

You wanna know what's good for me

You wanna know what's good for me You don't know, you don't really wanna know

You don't know, you don't really wanna know

You take a heart, I can take out two

You take a heart, I can take out you You don't know, you don't really wanna know

You don't know, you don't really wanna know

You take a heart, I can take out two

You take a heart, I can take out you Ah ah ah ah ah ah ah ah [repeat]
