Skullcrusher

Combichrist

Skull crush lay me down upon of a bed of nails
All good things must come to an end
The intergalactic serve me plastic life
Go forth but the mind is a wasteEscape go forth, escape go forth
Give me a break, you give what you take
Give me a break, you give what you takeYou son of a bitch, you must be kidding
Serving this pile of crap, I'm not forgiving you
God damnit, you're only holding me back
Get out of my way!You son of a bitch, you must be kidding
Serving this pile of crap, I'm not forgiving youI know a fool myself, it's just a pretty face
I know we don't belong, it's just a bitter taste
It's not just empty words, it's how we're feeling
Justified punishment, judgement is bleeding throughYou son of a bitch, you must be kidding
Serving this pile of crap, I'm not forgiving you
God damnit, you're only holding me back
Get out of my way!You son of a bitch, you must be kidding
Serving this pile of crap, I'm not forgiving youSacrifice nails going through my eyes
Disguised as a passion for eternal lifeI know you feel it, trying to control it
I know you feel it, you can't control it
I know you feel it, trying to control it
I know you feel it, but you can't control itYou son of a bitch, you must be kidding
Serving this pile of crap, I'm not forgiving you
God damnit, you're only holding me back
Get out of my way!You son of a bitch, you must be kidding
Serving this pile of crap, I'm not forgiving you
God damnit, you're only holding me back
Get out of my way!Get out of my way
Get out of my way
God damnit
Get out of my way
