

Wildest Dreams

KIDZ BOP Kids

He said let's get out of this town
Drive out of the city, away from the crowd
I thought heaven can't help me now
Nothing lasts forever, but this is gonna take me down
He is so tall and handsome as well
He is so good and he knows it too well
I can see the end as it begins
My one condition is
Say you will remember me standing in a nice dress staring at the sunset, babe.
Red lips and rosy cheeks, say you'll see me again even if it is just in your wildest dreams, ooh oh, wildest
dreams, ooh oh
I said no one knows just what we went through
His hands are in the air, he looks across the room
His voice is a familiar sound
Nothing lasts forever, but this is getting good now
He is so tall and handsome as well
He is so good and he knows it too well
And when we've had our very last kiss, my last request is,
Say you will remember me standing in a nice dress staring at the sunset, babe.
Red lips and rosy cheeks, say you'll see me again even if it is just in your wildest dreams, ooh oh, wildest
dreams, ooh oh
You see me in hind sight hanging out with you all night
Turning it down
Someday when you leave me I'll bet these memories, follow you around
Say you will remember me standing in a nice dress staring at the sunset, babe.
Red lips and rosy cheeks, say you'll see me again even if it is just pretend
Say you will remember me standing in a nice dress staring at the sunset, babe.
Red lips and rosy cheeks, say you see me again even if it is just in your wildest dreams(pretend), ooh oh, wildest
dreams, ooh oh
In your wildest dreams, ooh oh
