

No Remorse (Metallica Cover) (Bonus)

Cannibal Corpse

No mercy for what we are doing
No thought to even what we have done
We don't need to feel the sorrow
No remorse for the helpless one War without end
No remorse, no repent
We don't care what it meant
Another day, another death
Another sorrow, another breath No remorse, no repent
We don't care what it meant
Another day, another death
Another sorrow, another breath Blood feeds the war machine
As it eats its way across the land
We don't need the feel, the sorrow
No remorse is the one command War without end
No remorse, no repent
We don't care what it meant
Another day, another death
Another sorrow, another breath No remorse, no repent
We don't care what it meant
Another day, another death
Another sorrow, another breath Only the strong survive
No one to save the weaker race
We are ready to kill all comers
Like a loaded gun right at your face War without end
No remorse, no repent
We don't care what it meant
Another day, another death
Another sorrow, another breath No remorse, no repent
We don't care what it meant
Another day, another death
Another sorrow, another breath Attack
Bullets are flying
People are dying
With madness surrounding all hell's breaking loose Soldiers are hounding
Bodies are mounting
Cannons are shouting to take their abuse With war machines going
Blood starts to flowing
No mercy given to anyone here The furious fighting
Swords are like lightning

It all becomes frightening to you
Know death is near, no remorse
