

Two Occasions

The Deele

A summer love is beautiful
But it's not enough
To satisfy emotions
That are shared between us
A winter love is cozy
But I need so much more
It just intensifies my wants
To have a love that endures

Cause every time I close my eyes
I think of you
And no matter what the season is
I still love you
With all my heart
And I wanna be with you
Wherever you are

I only think of you on two occasions
That's day and night
I'd go for broke if I could be with you
Only you can make it right

An autumn love is special
At this time of the year
But when the leaves are gone
Does that love disappear
I never underestimate the new love of spring
But I'm glad to say in my heart
I know my love's lasting

Cause every time I close my eyes
I think of you
And no matter what the season is
I still love you
With all my heart
And I wanna be with you
Wherever you are

Cause every time I close my eyes
I think of you

And no matter what the season is

I still love you

With all my heart

And I wanna be with you

Wherever you are
