The Dance Is Over

Tim Maia

Open letters when youâ€™re down and out, waiting for news
Hoping high and let a lot of things, happen to do
Feel so lonely but I donâ€™t know why, Iâ€™m gonna try
Want somebody to be on my side, and Iâ€™m gonna try

Iâ€™m gonna try, try, try, oh, try
Try it over and over and over, over again
Try, try, try, oh, try
Try it over and over and over, over again
