

# I Could Not Shift the Shadow

## Current 93

I could not shift the shadow  
Or form sugar for your halos  
Channelled table-taps from ghost gods  
Prowled and slept in steep ships  
Mixed mythology with pathology  
Tossed a coin and hymned the groves  
Then did you scent the wind drop  
And count the codes of seeds?  
And did you call the night "bright"  
And drink the s\_\_ of stars?  
Or might you cartoon 'TMI; I±I,
