I, been waitin' here, for so long

I'm putting my clothes in the ground
I'm peeling the gold off of the clouds
I'm gonna get ready for the Mountain
I'm taking that road to the sun
I'm packing my saddle and my gun
I'm gonna get ready for the Mountain
I, been waitin' here, for so long
For so long
I, been waitin' here, for so long
For so long
Will Tomorrow come
She beats on her drum
She burns in my lungs
She hangs on my tongue
I, been waitin' here, for so long
For so long
I, been waitin' here, for so long
For so long
I, been waitin' here for so long
For so...
