

# Whiskey Lullaby

Rex Goudie

She put him out like the burning end  
Of a midnight cigarette  
She broke his heart  
He spent his whole life trying to forget We watched him drink his pain away  
A little at a time  
But he never could get drunk enough  
You get her off his mind, until the night He put that bottle to his head and pulled the trigger  
And finally drank away her memory  
Life is short, but this time it was bigger  
Than the strength he had to get up off his knees We found him with his face down in the pillow  
With a note that said, "I'll love her till I die"  
And when we buried him beneath the willow  
The angels sang a whiskey lullaby La la la la la la la  
La la la la la la la  
La la la la la la la  
La la la la la la The rumors flew but nobody knew  
How much she blamed herself.  
For years and years, she tried to hide  
The whiskey on her breath She finally drank her pain away  
A little at a time  
But she never could get drunk enough  
To get him off her mind, until the night She put that bottle to her head and pulled the trigger  
And finally drank away his memory  
Life is short, but this time it was bigger  
Than the strength she had to get up off her knees We found her with her face downing the pillow  
Clinging to his picture for dear life  
We laid her next to him beneath the willow  
While the angels sang a whiskey lullaby La la la la la la la  
La la la la la la la  
La la la la la la la  
La la la la la la la
