

Black Water (Daytrotter Session)

Edward Sharpe & The Magnetic Zeros

Black water
Drippin' down your face
Mountains in reconstitution's embrace[Chorus]
Guns and steel
And the germs of love
Toe to toe
In the world of mud
Guns and steel
And the germs of love
Blow for blow
For my aching heartBlack water
Spread your words on me
Waste me with a bang
You know, for posterity[Chorus]
