

The Moment You Left Me

Wet Wet Wet

The moment you left me
I suffered the whole night long
'Cause that's where I go wrong
'Cause that's where you go wrong
When I've got a problem
Say, I'll talk to the whole wide world
Yes I will, yes I will
I'm gonna love you
I'm gonna squeeze you
Say, I'm gonna do all the things
That I forgot to do
Thinking about my savior with a smile
Oh she can talk about chasing
The heart in me away, tell me, tell me
Is that where she goes wrong
I'm gonna love you
I'm gonna squeeze you
Say, I'm gonna do all the things
That I forgot to do
I'm gonna love you
I'm gonna squeeze you
Say, I'm gonna do all the things
That I forgot to do
Now that I've made the right resolution, baby
And I think I've found the right solution
Heaven knows where you go
Tell me, tell me, tell me, yeah
[Incomprehensible] Say, the moment you left me
And I suffered the whole night long, yes I did
'Cause that's where I go wrong
I go wrong, I go wrong, I go wrong
Feel again
Yes I will, yes I will
[Incomprehensible][Incomprehensible]
