This Is How It Works

Aux Raus

Not everybody knows just how to do it
Some just learn it on the way
Once you get it right, ain't nothin' to it
If you wanna get it right, you gotta learn to paceMake it smooth, take your time
Make it groove, in, out, in
Make it last
Kiss, kiss, kiss, kiss my ah, ahThis is how it works
Wrap your hands around my body
This is how it works
Go due southAnd this is how it works
Melt yourself into my body
This is how it works
Kiss my mouthSome guys think they know the answers
Everybody knows how to make you scream
If most guys took time out their fantasies
Maybe we could stop our make believeMake it smooth, take your time
Make it groove, in, out, in
Make it last
Kiss, kiss, kiss, kiss my ah, ahThis is how it works
Wrap your hands around my body
This is how it works
Go due southAnd this is how it works
Melt yourself into my body
This is how it works
Kiss my mouthReady, set, go
You don't have to know
We can take forever, learn together any flow
Touch me slow, watch it grow
Kiss the tip, gently blow, be my ho and take the show
We can watch it in slow-mo, when the sweet and low drips
Don't forget to let me wet my finger tips
Write love letters back and forth across your lips
Spread my hips, count to eighty, eighty ways, eighty tripsOne time for you mind
Two times if you're tense baby, let it unwind
Three counts, let it bounce
To the mothafuckin' ounce
Here we go, now you know 4th down
Let it flow back around, come on
Kiss my, kiss myThis is how it works

Wrap your hands around my body
This is how it works
Go due southAnd this is how it works
Melt yourself into my body
This is how it works
Kiss my mouth, yeahIs the way it works
Is the way it works
Is the way it works
This is how you melt my bodyIs the way it works
Is the way it works
Is the way it works
This is how you melt my bodyThis is how it works
Wrap your hands around my body
This is how it works
Go due southAnd this is how it works
Melt yourself into my body
This is how it works
Kiss my mouthThis is how it works, yeah
This is how it works, yeah
This is how it works, yeah
This is how it works, yeah
