

# Forgive Me Father

DJ Khaled

Another one!  
DJ Khaled I'm here to right my wrongs  
I've made a mess again  
I'd like to apologize  
I'm tryna make amends  
Forgive me, father  
I'm only human  
That wasn't who I am  
Those were my demons  
Those were my demons  
Those were my demons  
Forgive me, father  
Those were my demons Don't even look back on it  
You ready for change, better act on it  
They look up to you so don't slack on it  
It's a blessing, you know that you're talented  
Some people don't know what their talent is  
What's sad is they don't know what balance is  
I ain't been the same since I had a kid  
Look out for him and protect where I live  
I done got famous for what I did  
Rollin' up papers and showin' love, we all in the same  
Now the bank come to where I live  
Don't hate on another man, no that ain't part of the game  
Did it all for the fame  
And don't call it a game  
Started small every day  
We worked hard, and now they call us bosses And I done seen so many people slow down  
I can't relate, I can't relate, no  
And I done seen so many people change up  
I can't relate, I can't relate, no  
When you doin' good, somebody wanna see you doin' bad  
I can't relate, I can't relate, no  
Just movin' forward, so why they wanna talk about the past?  
I can't relate, I can't relate, no I'm here to right my wrongs  
I've made a mess again  
I'd like to apologize  
I'm tryna make amends  
Forgive me, father

I'm only human  
That wasn't who I am  
Those were my demons  
Those were my demons  
Those were my demons  
Forgive me, father  
Those were my demonsMajor, yeah!  
I got visions, I miss fortune all day  
What I'm sayin', I, tryna tell y'all  
I shake these nightmares all day  
How can I give you my mind?  
When I try to think, it just race  
How can I give you my heart?  
When I call on it, it just breaks  
I put the city on top  
District, V.A. all day  
PG MoCo they sweaters  
Guess who made MDMA?  
Amy Wine to Cobain  
Qur'an, Bible or fate  
Try not to feel like I'm Robin Will'  
Would a hook change my fate?  
Why you make me this way?I'm here to right my wrongs  
I've made a mess of it  
I'd like to apologize  
I'm tryna make amends  
Forgive me, father  
I'm only human  
That wasn't who I am  
Those were my demons  
Those were my demons  
Those were my demons  
Forgive me, father
