The Cure

10.15

10.15

Saturday night

Saturday night

And the tap drips

And the tap drips

Under the strip light

Under the strip light

And I'm sitting

And I'm sitting

In the kitchen sink

In the kitchen sink

And the tap drips

And the tap drips

Drip drip drip drip drip drip drip drip

Drip drip drip drip drip drip drip dripWaiting

Waiting

For the telephone to ring

For the telephone to ring

And I'm wondering

And I'm wondering

Where she's been

Where she's been

And I'm crying

And I'm crying

For yesterday

For yesterday

And the tap drips

And the tap drips

Drip drip drip drip drip drip drip drip

Drip drip drip drip drip drip drip dripIt's always the same

It's always the same
