# You Are the Only One

## Sergey Lazarev

We can never let the word be unspoken
We will never let our loving go, come undone
Everything we had is staying unbroken, oh
You will always be the only one
â€‹You're the only one

â€‹

â€‹Won't ever give up 'cause you're â€‹still somewhere out there
Nothing or no one's gonna keep us apart
â€‹Breaking it down but I'm still getting nowhere
â€‹Won't stop, hold onâ€‹Thunder and lightning, it's getting exciting
â€‹Lights up the skyline to show where you are
â€‹My love is rising, the story's unwinding
â€‹Together we'll make it and reach for the starsâ€‹You're the only one, you're my only one
â€‹You're my life, every breath that I take
â€‹Unforgettable, so unbelievable
â€‹You're the only one, my only oneâ€‹I could have told you to slow down and stay down
â€‹I could have told you a secret, won't you keep it now?
â€‹Thinking of making a showdown when love is found
â€‹Thinking of waiting till you're around

â€‹

â€‹â€‹Won't ever give up 'cause you're â€‹still somewhere out there
Nothing or no one's gonna keep us apart
â€‹Breaking it down but I'm still getting nowhere
â€‹Won't stop, hold onâ€‹Thunder and lightning, it's getting exciting
â€‹Lights up the skyline to show where you are
â€‹My love is rising, the story's unwinding
â€‹Together we'll make it and reach for the starsâ€‹You're the only one, you're my only one
â€‹You're my life, every breath that I take
â€‹Unforgettable, so unbelievable
â€‹You're the only one, my only oneYou're my only oneâ€‹Thunder... (And lightning)
(It's getting exciting) It's getting exciting...
(â€‹Lights up the skyline to show where you are)
To show where you are...(â€‹You're the only one) You're my only one
â€‹You're my life, every breath that I take
â€‹Unforgettable, so unbelievable
â€‹You're the only one, my only one
