

Blow up the Outside World

Soundgarden

Nothing seems to kill me no matter how hard I try
Nothing is closing my eyes
Nothing can beat me down for your pain or delight
And nothing seems to break me
No matter how hard I fall nothing can break me at all
Not one for giving up though not invincible I know I've givin' everything I need
I'd give you everything I own
I'd give in if it could at least be ours alone
I've given everything I could
To blow it to hell and gone
Burrow down in and
Blow up the outside world
Someone tried to tell me something
Don't let the world get you down
Nothing will do me in before I do myself
So save it for your own and the ones you can help
Want to make it understood
Wanting though I never would
Trying though I know it's wrong
Blowing it to hell and gone
Wishing though I never could
Blow up the outside world
