Beautiful Feeling

Billy Price

We've been keeping out of sight
Waiting 'til the time was right
Now we kiss in broad daylight
Our secret's outWe don't have to hide away
We can walk along Broadway
Let everybody see the way we sway
Our secret's outYou're the one I'm proud to have by my side
You're the one I care for
You're the one that breaks me open wideI pledge my love to you
You got my soul
It's such a beautiful feeling
It's such a beautiful feeling
It's such a beautiful feeling with youI have to pinch myself to feel
If what is going on is real
From the gods themselves we steal
Night and dayA jug of wine, a loaf of bread and thee
Lying on a blanket underneath that big old spreading tree
I'm ready as a man can be
Come what mayYou're the one I tell my stories to
You're the one I sing my songs for
You're the one that's really getting throughI pledge my love to you
You got my soul
It's such a beautiful feeling
It's such a beautiful feeling
It's such a beautiful feeling with youYou're the one I tell my stories to
You're the one I adore
You're the one that's really getting throughI pledge my love to you
You got my soul
It's such a beautiful feeling
It's such a beautiful feeling
It's such a beautiful feeling with you
