

Anybody Out There

Dwarves

Is there anybody out there is there anybody out there
We'll I'm so lonely so lonely
Anybody out there is there anybody out there
Well I'm So lonely so lonelyI've been waiting I've been waiting so long
Yeah I've been waiting and I'm still im all aloneAnybody out there is there anybody out there
Well I'm So so oh yeah
Yeah Anybody out there is there anybody out there
I get so horny get so lonelyI've been waiting I've been waiting so long yeah
Yeah I've been waiting and I'm still wellahhh yeahHe who cannot be named ahhh yeah
WAhhhhhooooowwwlll
C'mon
Well is there anybody out there?I say its all right well it's all right
Say its alright alright alright
I said its all right well it's all right
I Say its alright alright alright
I say it's all right it's all right
Yeah it's all right all right all right
I say it's all right it's all right
Say it's all right all right all rightIs there anybody out there
Is there anybody out there
Anybody out there
Is there anybody out there
Now is there anybody out there
Oww anybody out there
Any body out there
Is there any body out there
