# Sideway Shuffle

## Linda Lewis

Hey nah nah, hey nah, nah
Hey nah nah, hey nah nah
Hey nah nah, hey nah nahWake up, this is the mankind of
Morning shakeup
Feel your fingers fumble
Hear your belly rumbleCome on all you keepers
Kick off your slippers
Before it slips your mind
Open up your peepers
Put on your windcheaters
If the weather is not too kind
Hey nahHey nah nah, hey nah nah
Sideway shuffle
Hey nah nah, hey nah nah
Ain't going nowhere
Hey nah nah, hey nah nah
Just form a circle
Hey nah nah, hey nah nah
Just like the wo-oh-orldNow is forever, ah
Can we make it better
Is it up to you and me
Eternity
OhRaise up your eyebrows
From the ground
Hear your head rap-a
Feel your foot tap-aLet your legs take you
Where your heart aches to go
Go get a move on
Can't catch your move
For time cause you see
'Cause I'mma slide your shoes on
Hey nahHey nah nah, hey nah nah
Sideway shuffle
Hey nah nah, hey nah nah
Ain't going nowhere
Hey nah nah, hey nah nah
Just form a circle
Hey nah nah, hey nah nah
Just like the wo-oh-orldNow is forever, ah

Can we make it better
Is it up to you and me
Eternity
Yeah-eah-eah-eah-eah-eah
Hey------Hey nah nah, hey nah nah
Sideway shuffle
Hey nah nah, hey nah nah
Ain't going nowhere
Hey nah nah, hey nah nah
Just form a circle
Hey nah nah, hey nah nah
Just like the worldHey nah nah, hey nah nah
Sideway shuffle
Hey nah nah, hey nah nah
Ain't going nowhere
Hey nah nah, hey nah nah
Just like the world
Hey nah nah, hey nah nah
Ain't going nowhereHey nah nah, hey nah nah
Just like the wo-oh-orld
Hey nah nah., hey nah nah
Sideway shuffle
Hey nah nah, hey nah nah
