

# F!#\*in Up

Neil Young

Mindless drifter on the road  
Carry such an easy load  
It's how you look, and how you feel  
You must have a heart of steel. Why do I keep fuckin' up? I can see you on a hill  
Comatose but walking still  
Curves beneath your flowing gown  
Only I could bring you down. Why do I keep fuckin' up? Dogs that lick and dogs that bite  
Hounds that howl through the night  
Broken leashes are all over the floor  
Keys left hanging in a swinging door. Why do I keep fuckin' up? Keep fuckin' up!
