

# Bruised But Not Broken

Joss Stone

Been a lot that I've been through  
I've cried a tear a time or two  
Baby, you know I cried some over you, yeah  
Had my heart kicked to the ground  
Love ripped me up and tore me down, baby But that ain't enough to break me  
'Cause I'll rise above it  
And I'll pick myself up  
And I'll dust the pain off, off my heart And I'll be alright and I'll love again  
And the wounds will mend  
I'm bruised but not broken  
And the pain will fade, I'll get back on my feet  
It's not the end of me, my heart is still open  
I'm bruised but not broken Been a lot of tears stained nights  
I thought the tears were here for life, baby  
The hurt came on and held on tight, ah  
Took a chance, I took a fall  
Love broke my heart and shattered all my dreams But I won't be down on my knees  
'Cause I'll rise above it  
And I'll pick myself up  
And I'll shake the rain out of my heart And I'll be alright and I'll love again  
And the wounds will mend  
I'm bruised but not broken  
And the pain will fade, I'll get back on my feet  
It's not the end of me, my heart is still open  
I'm bruised but not broken Gonna pick my heart up  
Take my life back, shake the hurt away  
Pull myself together, put the pieces back in place  
See I've learned love's so hard  
Love left my soul scarred, was shattered inside  
It's out of me baby And I'll be alright and I'll love again  
And the wounds will mend  
I'm bruised but not broken  
And the pain will fade, I'll get back on my feet  
It's not the end of me, my heart is still open  
I'm bruised but not broken And I'll be alright and I'll love again  
And the wounds will mend  
I'm bruised but not broken  
And the pain will fade, I'll get back on my feet  
It's not the end of me, baby, my heart is still open

I'm bruised but not broken, bruised but not broken  
Bruised but not, but not broken, ooh
