Seratonin

Night Beds

If I give, all my time
Can I live, in your thighs?
I'm so gone, hardly man
When it's over Seratonin
I'm lost, in my mind
Can we blow, through some lines?
It's all wrong, hardly man
Then it's over Seratonin
Seraton-, Seraton-in
(Oooh)
Give me love, in the darkness
Give me love, in the darkness
Give me love, in the darkness
Give me love, in the darknessGive me love, in the darkness
Give me love, in the darknessAnd I want it too
And I want it too
And I want it-
(Oooh)
What are you waiting for?
What are you waiting for?
This will end with or without you
This will end with or without you
What are you waiting for?
What are you waiting for?
This will end with or without you
This will end with, this will, this will
(Sera-tonin)
