

Dinner Last Night

O.a.r. (of A Revolution)

Its ok
if you lock yourslef up at the end of the day
and its alright
if your gonna let us fade...to nothing
you worked harder for nothing at all
"are you alright?"
she asked me deep after dinner last night.Hold on and you gotta remember
Hold on and you gotta be strong
Hold on and you gotta remember gotta come back and ya got to be strongDo you even hear me
how far have you strayed from home
do you feel me?
or is it all gone
pick your pleasure
Ohh be sure that is what you want
"Are you alright?" she asked me deep after dinner last nightHold on and you gotta remember
Hold on and you gotta be strong
Hold on and you gotta remember ya gotta come back and ya got to be strongHold on i know you remember right
now, here you belong
hold on maann you've got to be strong
but darlin it won't be long
sit with me.. darlin it won't take long
but just believe in me
id never do you wrong
i was a million miles away chasin game in my head
but im never going back to that place again
now i'm home here with you...Hold on and you gotta remember
Hold on and you gotta be strong
Hold on and you gotta remember ya gotta come back and ya got to be strong
hold on i know you remember
hold on with me you belong
cause here you belong
yea with me you belong
with me you belong
