Jenny

De Palmas

Jenny's gonna stay here for a while
Jenny's always waiting for a smile
Don't worry when she's with another guy
'Cause you know she does it all the timeYou don't have to laugh at all her jokes
You don't have to listen when she talks
Doesn't really matter how you play
'Cause she's gonna love you anywayI'll write this song for you
I hope this song will do
I'll write this song for you
Cause Jenny I love you
I do... I do
All the love that she will bring tonight
Just enough to make you fell alright
Even if you always have to pay
Jenny's gonna love you anyway
I'll write this song for you
I hope this song will do
I'll write this song for you
Cause Jenny I love you
I do... I do
