Rock vs. Single Parents

Mclusky

Danny keeps beats in a box by the door
She's a diligent girl but she's been here before
It reminds her of riding a bike
Hey hey heySlovenly ground for your slovenly shoes
Cause we're destined to win and we're destined to lose
And we're destined to deal with it
Hey hey heyIt used to be form to be warned about robots
And alien life-forms on your way to the toilets
But now it's like chasing a fish
Hey hey heyFollow me down we can chase single mothers
Around and around 'til those sluts blow their cover
Just stick to the plan obi-wan
Hey hey hey
