You Don't Know

Iration

I got it in for you and you don't know
It started with a passing glance; you were in the front row
When you tossed your hair, did you notice me with the spotlight in your eye?
I'm not sure
Maybe it's a fantasy, you and me
Living in a perfect world, in harmony
Or maybe it's not meant to be, well I cant see, cause I'm not sure
Chorus:
You don't know the way that I'm feeling
You don't know, it might be the real thing
You don't know...You don't know
I would give you everything if you'd be mine
I'd take you all around the world, we'd sip fine wine
But back to reality, I know this can't be because it's all in my mind
Chorus
(Tunji Verse)
I saw her face in the crowd in back shaped like an hour glass,
Got me thinking questions I don't think that I know how to ask,
Fifteen seconds felt like more than half an hour past,
Sweet as devil's food cake and she can get devoured fast,
Her beauty shines on tryin' to keep my mind calm even though her heart is beating like a ticking time bomb,
I can't tell if it's reality or fantasy,
Baby we can grow this thing together if we plant a seed
(Chorus)
