## **American Music**

## **The Hold Steady**

Do you like American music? I like American music Don't you like American music, baby?I want you to hold me I want your arms around me I want you to hold me, babyDid you do too many drugs? I did too many drugs Did you do too many drugs too, baby?You were born too late, I was born too soon But every time I look at that ugly moon It reminds me of you, it reminds me of youI need a date to the prom Would you like to come along? But nobody would go to the prom with me, babyThey didn't like American music They never heard American music They didn't know the music was in my soul, babyYou were born too soon, I was born too late But every time I look at that ugly lake It reminds me of me, it reminds me of me It reminds me of meDo you like American music? We like American music I like American music, babyDo you like American music? We like all kinds of music But I like American music best, babyYou were born too late and I was born too late But every time I look at that ugly lake It reminds me of me, it reminds me of me It reminds me of me, it reminds me of meIt reminds me of me, it reminds me of me It reminds me of me, it reminds me of me It reminds me of me, it reminds me of me
