

# Baby, What You Want Me To Do

**Steve Cropper, Pop Staples, Albert King**

You got me running, you got me hiding  
You got me running, hiding, hiding  
Running anywhere you want me  
Yeah, yeah, yeahYou got me doing what you want  
Baby, what you want me to do?Going up, going down  
Going up, down, down, up  
Anyway you want me  
Yeah, yeah, yeahYou got me doing what you want  
Baby, what you want me to do?You got me [Incomprehensible], you got me hiding  
You got me [Incomprehensible], hide, hide, [Incomprehensible]  
Anywhere you want me  
Yeah, yeah, yeahYou got me doing what you want  
Baby, what you want me to do?You got me coming, you got me going  
You got me coming, go, go  
Come anywhere you want me  
Yeah, yeah, yeahYou got me doing what you want  
Baby, what you want me to do?
