Wonderland

Lina Morgana

One, two, three, four, five, six, seven
No good boys ever go to heaven

Bodies movin', wundaland
Open mouths kiss, and we dance
I can't believe, c-c-can't, can't believe that I met you

Pink champagne
Mirror ball spinnin' 'round again
In this wundaland where I met you
(Talk to me, talk to me)

So DJ play
Let the record spin again
In this wundaland where I met you
(Talk to me, talk to me)

One, two, three, four, five, six, seven
Hold your breathe count to eleven

Lady Gaga
Music, music
Just music
Music

Bodies movin', wundaland
Open mouths kiss, and we dance
I can't believe, c-c-can't, can't believe how I met you

Pink champagne
Mirror ball spinnin' 'round again
And in this wundaland where I met you
(Talk to me, talk to me)

So DJ play
Let the record spin again
In this wundaland where I met you
(Talk to me, talk to me)

I can't

Lady Gaga
Talk to me baby, Talk to me baby
Talk to me baby
Talk to me baby, take my hand
Talk to me baby, I've got a plan
I'll take you there

Talk to me
I'll take you, I'll take you, I'll take you,
I'll take you, I'll take you

Talk to me
Talk to me
I'll take you, I'll take you, I'll take you,
I'll take you, I'll take you

Talk to me
Talk to me
I'll take you, I'll take you
